COUNTY ROAD COMMISSION MET MONDAY

Lincoln County Road Commission Held a Regular Meeting Monday and Transacted Much Business

\$2500 PAID OUT OF ROAD AND BRIDGE FUND

The Lincoln County Road Commissioners held a regular meeting Monday in the court house. Dr. J. W. Laws, Chairman, J. B. French, Secretary, Treas., and Harry B. Dawson, Clerk, were present.

Considerable business was transacted, and it is quite likely that the board will purchase some heavy road machinery, such as crusher, roller, etc., just as soon as the funds will permit. The board has felt the need of this kind of machinery to be used in preparing the surface of roads in localities where it is not possible to obtain good gravel, for a long time. The road fund however, makes the purchase impossible at this time.

In regard to the complaint made to the board by Faustino Salcido and Pedro Pena, that the public road from the Rio Bunito to Felice had been fenced by one Jose Gonzales, the board ordered that said obstruction be removed that travel may be resumed over the old road.

After receiving the viewers report on the opening of the road leading south out of Carrizozo along the railroad right of way to the Oscura road, the board favors the change provided the right of way is granted without cost to the county. The board is willing to open the road and place the necessary culverts and bridges and put it in passable condition, it being understood that the bridges be built high enough to allow passage for cattle under them.

Secretary French was instructed to buy a road drag to be left in the vicinity of Oscura to be used in caring for the grade on the road now being opened in the Three Rivers sand bed by the State Highway Commission.

The clerk was authorized to send letter of authority and receipt book to Faustino Salcido at Tinnie, in order that he may warn out men in his locality to work the roads and give them receipts for road tax, work to be done on road south to Felice.

Relative to the bills pro-rated at the October meeting, the same were ordered paid in full and warrants drawn and approved for payment.

Bills aggregating \$2500.00 were paid out of the Road and Bridge fund.

THEY ARE RESPONSIBLE

A party living in the Nogal country and signing himself "Subscriber" seems to have grown weary of reading the news that is published in the county papers and is anxious to know why we are having such bloody wars in this 20th century. The writer closes his remarks by saying "who is responsible for this fool war." Our answer to this is that the fools themselves are responsible.

METHODIST CHURCH

REV. E. D. LEWIS, Pastor.

War! War! The call is to arms Christian soldier have you buckled on the armour? Have you fired a gun for the Captain of your salvation? Or have you been too busy to do business for the King? Have you been to the meeting? The Meeting? Yes, the Meeting at the Methodist Church. Didn't you know about it? "Well yes but," Away with your lame excuses. Do you think they will stand the test at the Judgment? This is a matter of life and death. Souls are dying and going to hell. They are your friends and neighbors, your relatives and loved ones. Should a church member be indifferent to these things? "He that knoweth to do good and doeth it not to him it is a sin." James 4:16

I hereby serve notice that the meeting will continue through next week, and if you have not been attending you will have an opportunity to show your interest and love for the cause of righteousness. Read this Christian brother and think, and "come up to the help of the Lord against the mighty." Read if you please Judges 5:23.

At the night service I shall take as my subject "Wordly Amusement." Is it wrong to dance? To play cards? To go to the theater? Is it wrong to do this and that? Come and let us reason together. Sunday school at 9:45, Junior church at 2 and 4, Senior League at 6:30.

CHARGED WITH HORSE THEFT

Pablo Lara and Manuel Vasquez were escorted by officers from Alamo gordo last Friday night charged with the theft of two horses from parties living in the neighborhood of San Patricio. The accused had placed their spoils on the Alamo gordo market for the conspicuous and suspicious bearing price of \$18 for horses, saddles and bridles. This attractive price precipitated their arrest and they were duly arraigned before Justice Ed. Massie of this place. Evidence evinced by the preliminary hearing warranted the placing of the accused under a bond of \$1000 each, in default of which the local jail is now providing entertainment to while away the hours until the next grand jury gets together.

NO LICENSE FOR RABBITS

Attorney General Clancy has ruled that a license is not necessary to hunt rabbits and coyotes in New Mexico, which sets at rest the idea that to hunt rabbits one must procure a license. Mr. Clancy holds that the statutory provision whereby any person found in the field with a gun might be construed as hunting is "injurious."

SALE AT TRADING CO.

Elsewhere in this issue appears a large and attractive ad for the Carrizozo Trading Company, telling the people of the bargain they are offering in their "After Inventory Clean Sweep Sale." Bargains are being offered in all lines and to convince you of this fact we refer you to their announcement.

COMMISSIONER HOLD REGULAR SESSION

The Opening of a Direct Road Along E. P. & S. W. Railroad Track from Carrizozo Toward Oscura Granted

ENTERTAINED PASTIME CLUB THURSDAY AFTERNOON

The Commissioners court has just closed a busy session this week. The usual run of business, consisting of the approval of bills and the issuance of warrants to cover the same was transacted. The action of the most vital interest to the general public, especially the traveling public, was the completion of all details and the solution of all difficulties attendant upon the opening of a direct road, down the E. P. & S. W. railroad from Carrizozo toward Oscura. The wide detour which people coming overland to Carrizozo from points in the Oscura direction has been a source of much righteous indignation and chagrin on the part of those who have had to deal with the circuitous route. Satisfactory adjustment has been made with all property owners affected by the opening of the new public highway and work will be begun immediately to fill this long felt want.

THE SHOOTING OF DAN MCGREW

The Popular Plays and Players presents the five part photo play, "The Shooting of Dan McGrew" from the classic poem of the same name by Robert W. Service the famous Alaskan poet. The cast of characters is one of the strongest in respect of principles ever seen in motion pictures, introducing Edmund Breece in the gripping play of the great snow world. The plot is laid on the Yukon River during the great rush for gold showing the miners on the long trail across the endless snow and many striking and sensational scenes of Alaska. The management considers this one of the best pictures ever produced and the price of admission for this great five act play will be Adults 25 cents and children 15 cts. At the Crystal Theatre, Saturday evening, January 8 h.

BEAUTIFUL CALENDARS

Among the beautiful calendars that are being distributed this year with which the Outlook has been favored are: Carrizozo Trading Co., Ziegler Bros. Exchange Bank, Kelley & Son, and N. B. Taylor & Sons.

Julian Taylor and family have moved in from their ranch east of town and are now very comfortably domiciled in their new and up-to-date bungalow located near the ball park.

GOOD GAME BASKET BALL, JANUARY 22

Local Team Scheduled to Play E. P. & S. W. General Office Team of El Paso on Above Date

FIRM OF PATTY & ADAMS MOVE TO NEW QUARTERS

All lovers of good clean sport will be glad to hear that a game of basket ball has been arranged between the local team of favorites and the E. P. & S. W. General Office five of El Paso. The game will be played at Real's hall, beginning at eight o'clock, Saturday evening January 22nd. Although the El Paso boys are a team of stars and made an excellent showing against the Alamo gordo team New Years Day, it is difficult to predict the outcome when our boys get lined up properly with each one doing the right thing at the right time. Those who witnessed the game which our boys put up against the Frisco experts know that they have the goods if it can be properly used and made to count for the most. Our boys have the "pep" Endurance will surely come if faithful practice can develop it. Make it a point to see this game for nothing tends to make the game fast and sensational, like playing on an indoor court, you will get your quarter's worth all right. Remember the date, January 22nd.

MOVE TO NEW QUARTERS

Patty & Adams who conduct a meat market and grocery on main street are now in their new quarters adjoining their former location, and a more up-to-date establishment has not yet appeared in Carrizozo. Of course the new building and shining fixtures, radiating cleanliness at every angle, add greatly to the business which these enterprising merchants have established; but the fact that their policies are all accommodation consistent with good business, and their earnest attempt to please their patrons, prompts us to predict a bright 1916 for the promoters of this, a step in the right direction.

METHODIST REVIVAL

A series of revival services are in progress at the Methodist Church Pastor Lewis is conducting the services, ably assisted by Rev. J. M. Gardner of the Baptist Church, who has charge of the singing. A number of rousing gospel songs are sung each evening and is confidently expected that these meetings will prove a source of spiritual uplift to all concerned.

PROBATE COURT

The Probate Court of Lincoln Co. is at present still in session, the particular case in hand being an injunction against M. W. Connolly to deprive him of the guardianship of two small daughters, the case being prompted by the death of Mrs. Connolly some weeks ago. A large number of witnesses are testifying pro and con, and several substantial citizens of the county have expressed a willingness to assume the guardianship of the two children in case a verdict is rendered to deprive Connolly of their control.
